Friendship Association

吉林省高中生诸位, 歡迎! Welcome to City of Urayasu, Chiba Prefecture right next to Big Tokyo. Our city is famous not only with Tokyo Disney Resorts but also with its convenience to go to Narita International Airport by an hour and Haneda Domestic Airport by half an hour. Therefore Urayasu always gets a high rank at every survey on the popularity of Japanese cities.

At this popular city, our Urayasu International Friendship Association (UIFA) is pushing international understanding and international friendship by various activities such as sister-city exchange, cross cultural-understanding, international residents support in studying Japanese. Homestay support is also critical activity. You will stay only one night but can experience and learn about our culture well. You see 「百聞不如一見」 then how about 「百豪華賓館投宿不如一平民家庭寄住」? We will welcome you with the spirit 「有朋自遠方來不亦樂乎」

If you have a chance to visit Tokyo again for your studies, job or leisure, be sure to inform your host family or UIFA office (uifa@jcom.home.ne.jp). We are looking forward to seeing you, Bridge of Friendship between China and Japan.
SEE YOU AGAIN! 再見
